

# The Antichrist

**There is the ONLY ONE president/king that fits ALL of the following:**

- Is a Muslim world leader,
- AND yet believes in Christmas, Easter, and a “trinity”,
- AND yet believes in elements of Buddhism and Hinduism,
- AND yet is of Jewish bloodline,
- AND yet is the president of the world’s largest population of Assyrians, and therefore is the “king of Assyria” of Isaiah 10 & Micah 5, and is the king of Syria of Daniel 11:40-45,

And therefore is the ONLY person possible to fulfill the prophecies of:

- The Islamic end time 12<sup>th</sup> Mahdi, that wars against Israel,
  - AND the end time Antichrist, Son of Perdition, that will be worshipped by people worldwide including “Christians”, and people of all religions, Rev.13:8,
  - AND will lead the end time invasion of Israel in cooperation with Gog and Magog, (Putin, Russia & China) and Persia/Iran. Ezekiel 38.
- The UN and many nations worldwide have already repeatedly claimed that East Jerusalem belongs to Syria.  
And Syria has a history of invading Israel more than once.

His evil name is Bashar Assad, the president of Syria.

Both his original family name and his current surname are found in the Arabic Bible of Revelation 13 in reference to the end time Antichrist. There is also video proof of his military forcing people to say that Assad is god above all gods, as the bible says that he would claim.
