

<p><b>Christmas was celebrated for thousands of years before Jesus was born. It was observed with Xmas trees, lights, meals &amp; gifts at the Winter Solstice in worship of the Sun &amp; other false gods such as Zeus, the king of Assyria &amp; Thor who came down a fireplace chimney. Plays in the 1600's showed Satan dressed in red, saying "Ho, Ho, Ho"! Deut.12:30 tells us to not worship the true GOD in the same way as the pagans worshipped their false gods. The bible declares that He does not accept our worship if it is defiled with false gods &amp; vain traditions of mankind. Christmas is NOT Jesus' birthday!</b></p>	<p><b>Christmas was celebrated for thousands of years before Jesus was born.
