

## WHAT IS THE REASON FOR THE SEASON?

**WHAT YOU HAVE BEEN TOLD:** Everyone has been raised from childhood to believe that Christmas is the birth of Jesus The Christ. Who told you that Christmas is the birthday of Jesus? Your family, church and society OR the Bible? Of course it was man that told you this. You never read it in the Bible. Yes, you read that Jesus was born. That's very clear in the bible. But WHERE does it say that Jesus was born in December or in the winter? Where does it say Christmas is His Birthday? It's NOT in the Bible. Period.

**FACT:** The history of Christmas is very well documented. It existed for thousands of years BEFORE Jesus was born. Family gatherings, eating a feast, exchanging gifts, decorating a tree, ALL of this on Dec. 25 every year was done for THOUSANDS of years BEFORE Jesus birth! That is PROVEN FACT. It CANNOT be denied. So HOW Can we say that Christmas is His Birthday. There is NOTHING in Scripture to say that or even to hint that. The Apostles and first century church NEVER observed December 25 or any other day as His Birthday. In fact, all annual birthday celebrations were considered as pagan by the Jews. EVERY TIME an annual birthday celebration is mentioned in the Bible, It is that of a pagan. When the wise men gave gifts to Jesus, it was NOT Jesus's birthday. According to the Bible, by the time the wise men came to Jesus, He was NO LONGER in the manger and no longer an infant. But rather He was a young child in a house! (Matthew 2:11) IN fact, Herod clearly believed that Jesus was not a newborn babe by the time the wise men had arrived, He slaughtered all the young boys up to two years old. (Verse 16) The wise men did NOT give Jesus birthday presents! They would not have risked offending the Jewish family by doing a pagan custom. They were presenting gifts to THE KING! That was a custom that was NOT pagan and WAS embraced by the Jews. Also, the Bible NEVER says it was 3 wise men. It NEVER says how many wise men there were. The overwhelming evidence indicates Jesus was born in September. NOT December. So, Why have we all been raised to believe He was born Dec. 25?

**HISTORY:** The pagan witches of druidism, the pagan Assyrians, Egyptians, Babylonians and Greeks observed Dec. 25 and the days surrounding that date as the birthday of the sun, the sun god, Zeus, Tammuz and other names of their pagan gods. They did so with Christmas trees, exchanging gifts, feasting, parties, etc. It was the birthday of their false god. What does the Bible say about worshipping HIM in the same way as the heathens worship their false gods? Deut. 12:30-32. What does the Bible say about Christmas trees? Jer. 10:1-4. The Roman Catholic Church adopted the ancient pagan holiday of Christmas in order to increase their membership of pagans into the church to try to convert them. But the pagans never changed their customs and the church adopted the same pagan customs of the people that they were trying to convert. The Pope gave the pagan holiday the christian name of "Christ Mass". Then later renamed it Christmas. But it was still the same pagan date and pagan customs. Still is today. So, here we are in the end times and everyone has been led to believe a lie. Most people who read this flier will still choose to believe the lie that Christmas is Jesus Birthday. What does the Bible say about those who loveth and maketh a lie? 2 Thes. 2:11-12 Rev. 22:15

**PROPHECY: THE ANTI-CHRIST:** Soon, USA will strike the president of Syria, Bashar Assad, to try to remove him from office. This will NOT be successful. In Fact, Assad is the Son of Perdition, the one most people call the Anti-Christ. He will invade Israel & Egypt. He will stand on the Temple Mount proclaiming to be God. The Roman Catholic pope will endorse him. The pope is his false prophet. Assad & the pope, as the antichrist and false prophet will support pagan holidays such as christmas which originated in ancient Syria. They will also support the ancient Assyrian pagan Mystery Babylon religious doctrines of Queen Easter and the Trinity. Assad & the 2 popes (2 horns of the false prophet) will claim to be the trinity. But the Bible says GOD is ONE. NOT a Trinity. There is NOT going to be any pre-trib rapture. That is a fairy tale. You will have to endure to the end. Matt. 24:13 You WILL see these men on the Temple Mount and you WILL see Jerusalem invaded & conquered by the Gentiles: Russia, Iran, Syria. Also, Russia & China WILL invade USA (Manasseh of Israel). It is written in the Bible. Ezek. 38 Rev. 13, Matt. 24, Dan. 7 & 11 I understand the the world is FULL of false prophets & false teachers & that you have never heard these truths before. But before you completely discount everything I am saying, I ask you to please at least ASK GOD. Seek & you shall find. The fulfillment of these prophecies will confirm the Assyrian pagan roots of Christmas.
