Let's everybody please stand if you're not already, which I do encourage people to be standing during the music because that helps you to worship.

You can worship a lot better when you're standing up as far as when we are gathered together over the internet for a formal worship service to be standing during the music and during the prayer for when we gather together for a formal worship service.

Let us go into prayer now. Lord Heavenly Father Almighty, in Jesus' wonderful name, thank you Father for getting us through the week, for preserving us, for giving us strength, for guiding, leading, and directing us, for showing us the truth.

For helping us to learn and to grow in truth. Thank you for delivering us from false doctrines and false religions, false churches and false pastors.

Thank you for choosing us for this time. Please help us to be faithful unto the end and forevermore without end. Please help our brothers and sisters that are true to you with their finances, their health, mentality, focus, and understanding.

Please help them with direction and your will. Please realign us, our thoughts, our hearts, our minds, and our lives into the center of your will and help us to not move away from the center of your will.

And when we do, please convict us in powerful ways that we cannot deny. Correct us.

Show us thy light, thy truth, and thy will. Please bless the services today and every week.

Please bless the message that we're about to receive. Let us never be led astray ever again.

Please speak your will and your truth through my mouth. If I'm ever wrong, please convict my mind, my soul, my heart to repent.

Let me not lead in deception, but only in your truth, your spirit, and your will.

In the mighty and holy name of Jesus, we pray. Amen.

Okay, let's turn into the Bible where everybody may be seated. Let's turn to Genesis chapter 12.

By the way, we did just, within the past few days, update the paperbacks again.

There's not really major edits. I don't really see any need for anybody to order new editions, but just as a informing of the church, just so that you know that the paperbacks have been updated yet again.

Really, just minor edits. We did change the word divorce sometimes to the word put away or set apart or send away because that was the actual words, the actual words in Greek for some of those instances as we saw recently in the sermon about divorce and separation.

Sometimes it is divorce, sometimes it is separation or put away or as in sending away and trying to get the scriptures back to the actual words that actually were there, that actually did appear in the original scriptures.

We also had added the name of the second horn of the false prophet, being the name of the leader of the Eastern Orthodox Churches, having his name actually there as the second horn of the false prophet in addition to the, or maybe we didn't put the name on it for sure, but we actually did put it for sure.

We did put his role, his title as the head of the Eastern Orthodox Church, we did put his title there for sure.

So we added that revelation and other edits that are more minor. So again, not really needful to order new paperbacks as long as you've got the most recent edition, which is the October 2024 edition was the last one we did before this one that was sent in within just the past few days.

So as long as you have October 2024, you're fine. If you have anything older than that, then you definitely need to update.

We're going to start in Genesis chapter 12. I'm sure everybody's had time to get there by now.

Verse one, reading in the Alpha and Omega Bible, it says, "And the Lord said to Abram."

Now notice here, it doesn't say Jesus said the Lord. And in this particular case, it is the Lord.

That is what belongs there rather than Jesus. So there are times when the traditional translations are actually correct in

some verses, some verses where it has the Lord or the Lord.

But then there are also tons and tons of verses where the traditional translations use the word Lord instead of the name Jesus.

And that's not correct in those many, many, many times that they do not restore the name of God to the Bible.

But in this particular verse, it is the Lord. And it's talking about Abraham before God changed his name from Abram to Abraham.

And the Lord said to Abram, that is, Abraham and his earlier days, go forth out of your land and away from your relatives.

Leave your family, your uncles, your aunts, whoever, and out of the house of your father.

So he was still very young and come into the land, which I will show you and I will make you a great nation.

And I will bless you and magnify your name and you will be blessed. And I will bless those that bless you and curse those that curse you.

And you shall all the tribes and in you to all the tribes of the earth be blessed.

There's a lot here. Primarily a blessing upon Abraham and his descendants and that he's going to take this one man and turn him into a great nation.

So that would include his descendants, of course. A blessing upon him and those that bless him and bless that nation.

They will be blessed and those that curse him will be cursed. Very simple. Now, that blessing was specific to Abraham.

But like I said, it would include his descendants by common sense.

And if we keep reading and keep reading and keep reading throughout Genesis and Exodus, then we do know and cannot deny that those blessings were then transferred to his son, of course, Isaac.

And then from Isaac down to the next generation, those blessings did not die out with either of these men.

But the blessings were inherited by their sons. Now, of course, they would have had daughters as well, right?

You wouldn't have three generations without any daughters. They had daughters. But the blessings were passed down to the men as leaders of their families and leaders of their tribes, leaders of society and leaders of the government of God.

Absolutely. And from Isaac down to Jacob, Abraham, Isaac and Jacob. Then when it got down to Jacob, we do read that the man Jacob, his name was changed to Israel.

Then to Israel, the man Jacob, also known as Israel, had 12 sons plus daughters. And these blessings and these promises of being a greatness nation and being blessed by God was passed down to those 12 sons of Jacob, 12 sons, 12 tribes of Israel.

One of those tribes was Judah, which we now know as the Jews. Another one of the tribes was Manasseh, which we now know as the United States of America.

Another one of the tribes was Ephraim. Well, actually, Manasseh and Ephraim were the children of Joseph.

So it went from the 12 tribes, one of those being Joseph, and then the blessings were passed down from Joseph to his two sons, Manasseh and Ephraim.

The old man Jacob, Israel, on his deathbed, being the grandfather of the boys Manasseh and Ephraim through Joseph, passed down those blessings to those particular tribes.

So typically, Manasseh and Ephraim, the United States, and Ephraim being the United Kingdom, Ireland, Scotland, and Great Britain, England.

I have on the ministry website at isawthelightministries.com/manasseh.html proof that Manasseh and Ephraim are the United States and the British Empire, the British Commonwealth.

It is undeniable proof, absolutely undeniable. I have at least one link there that gives you tons and tons and tons and tons more additional proof of that fact.

So when we look at the world today about what nations are the most blessed, the most prosperous, there's no denying that it is the United States and the United Kingdom in many ways, financially and even freedom and even the name of Jesus, the translation and publication of Bibles to the entire world, so forth.

But one of those twelve tribes was the Judah, the Jews. So when we look at the world today, the nation of Israel in the Middle East in what they call the land of Palestine, they are also very prosperous financially and with freedom.

They have great freedom in Israel for even the Muslims. And there are even Arabs in the Israeli Parliament.

Today we're focusing on the tribe of Judah more specifically, even though we will occasionally mention America and Great Britain as well.

But the focal point of today's message is the tribe of Judah, the Jews, the Judeans, and where they fit in Scripture and whether or not that we should support them.

Should we support Israel? And what about Zionism and what does that mean? And is that good or is it evil? Here we saw God in Scripture bless Abraham.

But if we were to study it out, as I just described, it is very biblical that these blessings were passed down scientifically not to all of the descendants of Abraham, but rather more specifically to Isaac, Jacob, the twelve tribes of Israel, Joseph's two boys, Manasseh and Ephraim.

So we're talking about today the Americans, the English, the British, and the Jews.

And we'll be focusing on the Jews. Let's look now at Ezekiel 37.

God willing, we'll read this entire chapter of Ezekiel 37. It's one of the chapters of the Bible among many that most traditional Christians never read before in their lives.

Ezekiel 37, verse 1 And the hand of Jesus came upon me, and Jesus brought me forth by the Spirit, and set me in the midst of the plain, that is a flat area of land, and was full of human bones.

And he led me around about them every way, and, behold, there was very many on the face of the plain, very dry.

And he said to me, Son of humans, will these bones live? And I said, O Lord Theos, you know this.

And he said to me, Prophecy upon these bones, and you shall say to them, You dry bones, hear the word of Jesus.

Now these dry bones means bones that are not fresh. It is not people that were recently buried, but these are bones that are old, that have been buried actually for thousands of years.

Verse 5. Thus saith Jesus to these bones, Behold, I will bring upon you the breath of life.

Notice that the bones are physical. This is a physical resurrection back to life.

Verse 6. And I will lay sinews upon you, and will bring up flesh upon you, and will spread skin upon you, and will put my spirit into you, that is, breath.

Actually, that needs to be changed into breath right there in verse 6. I have not made note of that.

I'm just noticing it right now. And you shall live, and you shall know that I am Jesus.

So I'm going to go ahead and cross out spirit into breath while I'm here. I can't get my hand to work.

Verse 7. So I prophesied, as Jesus commanded me, and it came to pass while I was prophesying, that, behold, there was a shaking, and the bones approached each one to his joints.

And I looked, and behold, sinews and flesh grew upon them, and skin came upon them above, but there was not breath in them.

So there's the word breath. So it is breath in them. And he said to me, prophecy to the men, prophecy, son of humans, and say to the men, and thus say, O Jesus, come from the four winds, and breathe upon these dead men, and let them live.

What we're reading here is the second resurrection. So I prophesied, as he commanded me, and the breath entered into them, and they lived and stood upon their feet in a very great congregation, meaning assembly.

Let's change the word congregation to assembly. Verse 11. And Jesus spoke to me, saying, Son of humans, these bones are the whole house of Israel, meaning all of the tribes of Israel.

And they say, our bones have become dry, our hope has perished, we are cut off, cast out.

Therefore prophecy and say, thus say of Jesus, behold, I will open your tombs, and will bring you up out of your tombs, and will bring you into the land of Israel.

Now what land will he bring these people back to? Will he bring them back to Asia?

Of course not. Will he bring them back to South America? Of course not. Spain? China? Ethiopia? Algeria? No, of course not.

But rather to the exact land that we know as the nation of Israel today. Of course, this is common sense.

This is biblical. That's the land of Israel. How much more basic, how much more elementary can we get that the land of Israel is the land of Israel?

Verse 13, and you should know that I am Jesus when I have opened your graves, that I may bring up my people from their graves.

I will put my breath into you, and you shall live. And I will place you upon your own land, your own land that belongs to them.

And you should know that I am Jesus, I have spoken and will do it, say of Jesus. Now, because this is the second resurrection, even though it doesn't say it here, we know that this is Old Testament people included in this.

But it would also be even people that lived in the New Testament, New Covenant time era, even the Jews of today and even Israelites today, even Americans today, even the British today, if they are not risen in the first resurrection.

Notice that this is a promise to the Israelites. It is not a promise to the Asians or the Africans or even the Russians or

the people of Turkey and so forth and so forth.

It is a promise specifically to the Israelites, even though the second resurrection will include those other nations, the Gentiles.

But this particular chapter focuses on the Israelites, even though that same resurrection will include Gentiles, of course. Absolutely. If we read Revelation 20 and when we read Isaiah 65, both of those places that talk about the second resurrection, they do not focus only upon only Israel, but rather all the dead, anyone, everyone on the earth that did not rise in the first resurrection.

But this particular chapter does focus on specifically all the tribes that came from Jacob.

And that would include the Jews, the Americans, and the British. So it is a promise of restoration and regathering to a specific land.

We are tied to that land. We saw in Genesis that God told Abraham, even though he did originally come from a different land, to go out to a land where he did not know where he was going.

We know where he ended up into what we know today as the land of Israel. And you have all these people saying that the Israelites stowed it when we have the Bible telling us over and over and over that God told Abraham to go there and told Abraham, I will give you that land.

I will give you that land. It wasn't stolen, it was gifted to Abraham, then Isaac, then Jacob, then all the twelve tribes, and more specifically to the Jews, but even in the future, the Americans and the British, the Irish and Scottish, in the future, in the second resurrection, even in the first resurrection, that land will be ours.

Verse 15 now, And the word of Jesus came to me saying, Son of humans, take to yourself a rod and write upon it Judah, and the children of Israel his inherits.

And you shall take for yourself another rod, and you shall inscribe it for Joseph, the rod of Ephraim, and all the children of Israel that belong to him.

So two rods, and one rod, there's a name written on it that is more specific to the Jews, whereas the other rod is more specific as being written to the non-Jews that are still yet Israelites.

And as I've said many times over the years and must say again right now, this is one of the most major problems in the churches of the world, which the Bible calls the synagogue of Satan, the Baptist church, the Pentecostals, the Protestants, and the Catholics and the Orthodox, Jehovah's Witnesses and others, that they don't understand that many, many times throughout scripture when it uses the word Israel, it's not talking about the Jews only, but rather the Americans and the British.

That is a major problem of traditional false churches and ignorant pastors. But here we see that they are separate and different, and the two rods represent the two different groups.

Verse 17 now, and you should join them together for yourself, so as that they should bind themselves into one stick and they should be in your hand.

And it's to come to pass when the children of your people shall say to you, will you not tell us what you mean by these things?

And you shall say to them, thus say of Jesus, behold, I will take the child of Joseph, the master of Ephraim, which is in the hand of Ephraim, and the child of Israel that belonged to him, and I will add them to the child of Judah, and they should become one rod in the hand of Judah, and the rods of which you did write should be in your hand in their presence.

And you should say to them, thus say of the Lord Jesus, behold, I will take the whole house of Israel out of the midst of the nations, meaning out of the Gentiles, among whom they have gone, and I will gather them from all that are round about them, and I will bring them into the land of Israel, and I will make them a nation in my land, even on the mountains of Israel, and they shall have one prince, one governor, and they shall be no more two nations, neither shall they be divided any more at all into two kingdoms, that they may no more defile themselves with their idols, and I will deliver them from all other transgressions by which they have sinned, and will cleanse them, and will make to them to be my people, and I, Jesus, will be to them their Theos.

This includes the Jews. This is a promise of salvation, deliverance, and restoration to the Jews, the Americans, and the British, the Scottish, and the Irish, and the Danish.

And my servant David should be a prince, a governor in the midst of them. David will be a leader in the kingdom of God in that second resurrection.

And they should be one shepherd to them all, and they shall walk in my orders, and preserve my judgments, and do them.

That will be law in God's kingdom. Verse 25, And they shall dwell in their land, which I have given to my servant

Jacob, where their forefathers dwelt, Abraham and Isaac.

And they shall dwell upon it, and David, my servant, shall be their prince forever, and I will make to them a covenant of peace.

It shall be an everlasting covenant with them, and I will establish my sanctuary in the midst of them forever, and my tabernacle shall be among them, and will be their Theos, and they shall be my people.

Now when it says sanctuary and tabernacle there, we must compare Revelation 21, verse 3, and verse 25, as it says there in the AOB Bible, that Jesus himself is the tabernacle.

He's not talking about a physical building, but rather that he is the dwelling place, that we will actually dwell in his midst, in his presence, in the lake afar.

That that lake afar will be everywhere, that we will be lights within a light, we will be lights within his light, that he will dwell with us, and we will be his people, and he will be our God.

This is restoration, salvation to the Jews, the Americans, the British, but it can also include Gentiles, but this is specifically a promise to the Israelites.

So there is a special relationship, which the Bible says that he was married, God the Father in the Old Testament was married to Judah and Israel as two wives.

So it really doesn't matter about David, Solomon, or anything that Paul said, or anything that Paul did not say, if God himself had more than one wife.

And then we see that Jesus in Matthew 25 is going to marry multiple wives as well, so both Old Testament and New Testament, both, we have God himself as having multiple wives.

And that is the highest standard that we can go by, rather than what did David do, what did Solomon do, what did Paul say.

The highest standard we can go by is what God himself has done and will do again, marry multiple wives.

That verse 28, and the nations shall know that I am Jesus, that sanctifies them when my sanctuary is in the midst, that it means my dwelling place is in the midst of them forever. Amen.

New Jerusalem will be in the same location as Old Jerusalem. The New Jerusalem will not be in South America or China or Sudan or Egypt, right?

The New Jerusalem will be in the same location as Old Jerusalem, but even larger, larger, 1,500 miles, right?

So all of this is extremely important. The identity of the Jews and the identity of Israel is tied to the land, and today that is called Zionism.

That is undeniable. That is undeniable. That is fact. That is documented, undeniable fact.

The definition of Zionism, the belief that Israel has a right, a divine right, a God-given right to that particular land.

All of that land, including the Golden Heights, East Jerusalem, the West Bank, and Gaza, and even more by God's design, and a right for the Jews to dwell in that land safely without attack, that they have a right to live and to succeed and to prosper, and that God gave them their prosperity, their blessings, that God gave them the land, and that they are God's chosen people, and that the Jews all around the world should return to their land, and that it is prophesied in Holy Scripture that they would return to their land that God gave them.

The Israel has the right to self-defense and the right to attack and invade enemy nations that oppose its existence and safety.

That, all of that together, every bit of that, defines Zionism. What is a Zionist?

And every bit of that is biblical. Every bit of that is accurate and true in the eyes of God Almighty Jesus. So how can you say that you don't support Zionism if you believe what the Bible says, that God gave them that land, and that they are God's chosen people?

Now what a lot of people would object with is that they say, try to claim, that physical Israel is no longer important to God, but rather only spiritual Israel, meaning the Church.

That the spiritual Israel, the Church, has now obtained all of those blessings, all of those promises, all of those covenants, and that physical Israel is of absolutely no importance to God anymore, because they say that the Scripture says that no one is Jew or Greek in Christ Jesus.

The problem with that type of reasoning, human reasoning, and that doctrine and that belief and that way of thinking, is that when the Bible says there's no Jew or Gentile or Greek in the Kingdom of God, it's talking about salvation.

It doesn't say the Kingdom of God, but it's talking about specifically the context of that verse is salvation.

That is the context of that verse that they are referencing. Salvation. So we don't deny that Gentiles can be saved. Of course we don't deny that.

We don't reject that. Amen. There are more Gentiles in the Church of God today, in this generation, in our current time

frame.

There are more Gentiles in the true Church of God, spiritual Israel, than what they are, Jews and physical Israelites, Americans and British.

Because the Bible does call this the time of the Gentiles. And Paul wrote about that very much in the book of Romans, that this is the day of the Gentiles, when God is working with the Gentiles, saving the Gentiles, working with the Gentiles, and kind of pushing away the Israelites for a time and a season, to bring in and to focus on the Gentiles for now, in order to make the Israelites jealous and to give the Gentiles more of an opportunity. Amen.

God is fair. He is not unjust. He loves all people of all races. He created all races. God did. God created all people. We're all one blood, ultimately, if you go back far enough.

We're all brothers and sisters through Adam and Eve. All people can be saved. Amen. The question is, is physical Israel, the physical tribes of Israel, are they still important to God today and in the future?

Of course, because we're going to read a verse that proves that here in a minute.

But a lot of people hate the Jews and are very much anti-Zionists, anti-Israel, anti-Jews, because they have spent a lot of time on YouTube, the Church of YouTube and the Church of Google, which are very real churches.

You think I make this up, the Church of YouTube, you think I'm making that up, is a real church in the eyes of God.

No, you're not going to find a website that says, we are the Church of YouTube or the Church of Google.

No, you're not going to find a website that says that. No, you're not going to find a video that says that.

No, you will not find a legal document that says that. No, but in God's eyes, the Church of YouTube is very real.

Absolutely. And a lot of people attend, listen to and worship and obey the Church of YouTube.

And that's the problem. They don't spend enough time in the face of God. They don't spend enough time reading the scriptures, seeking God, fasting, but way too much time watching videos that are two hours and three hours long on a regular and constant basis.

And therefore they fall victim to really foolish, really ridiculous teachings that make them turn against God's chosen people.

And it is literally Islamic and communist propaganda that they have fallen for. And that's very serious.

And my statement is absolutely accurate and true. Heaven is my witness. Jesus is my witness. The Holy Ghost is my witness.

The truth is my witness. They have fallen for Islamic and communist propaganda. And they claim to be saved and they claim to be intelligent and they claim to have a lot of discernment.

But yet they believe this propaganda and have a hatred for God's chosen people. I know that the Jews are only one segment, one tribe of God's chosen people.

I know that the Americans are as well. The British, the Scottish, the Irish, the tribe of Denmark and in the land of Denmark and other nations as well that belong to that original British empire.

So it's not the Jews only, but it does include the Jews. And they are our physical blood brothers and even spiritual brothers.

But from the Church of YouTube and from the priests of the Church of YouTube and the doctrines of the Church of YouTube and the teachings of the Church of YouTube, they have learned this foolish theory that the leaders of Israel today, the prime minister of Israel today and the other Jews that live in the land of Israel today are supposedly by their teachings not true Jews, but rather that they ascend from Turkey and other nations, which is ridiculous.

They point towards certain videos and certain websites that make those claims without testing those claims.

Absolutely. Just because certain websites and certain videos and certain priests of the Church of YouTube says it's so, they swallow it.

They swallow it, hook, line and fish. They swallow it all in sync. They believe it without testing it. That's equivalent to somebody believing in Christmas, Easter, Sunday, Trinity, Pre-Trib, Rapture, to believe things without testing it.

What is the fruit of it? What does the Scripture say? The fruit of hating the Jews and hating the nation of Israel is nothing but bad fruit, evil fruit.

We saw in the book of Genesis that those that bless you will be blessed and those that curse you will be cursed.

So if you are against Israel or against the Jews and don't even give them their right to their birthright, the birthright is very important to God, right?

Remember about Esau and Jacob? Even if Jacob, Jacob did not steal the birthright.

Esau sold it to him. Esau made a choice. Yes, I will sell you my birthright for this bowl of soup. It was a very stupid choice, but he made his own choice.

Nobody held a gun to Esau's head and he sold him his birthright. It legitimately became Jacob's by God's will.

Well, God was active in the thinking of Esau. Absolutely. It was predestined that Esau would sell his birthright. That was God's will for that to happen.

That was God's plan for that to happen. It was always planned that there would be 12 tribes of Israel that would receive the blessings rather than Esau.

The Bible says that God himself rejected Esau. Amen? Because Esau was an evil man. Let's go back to Scripture. Revelation chapter 2. We'll go back to the Old Testament soon, but let's go ahead and do this.

Revelation chapter 2, where it talks about the sin of God. I'll say, because this is the verse they always, always, always, always want to bring up in their ignorance, because they don't understand the Scriptures, because they don't have The Holy Ghost of Jesus. Amen?

Revelation chapter 2 verse 8.

To the messenger or the pastor of the congregation, Ecclesia, the called out ones, in Smyrna, write this, the first and the last, meaning the Alpha and the Omega, who was dead and has come to life, says this, I know your tribulation and your poverty, but you are rich, talk about spiritually, it's not talking about physical riches, but rather spiritual richness, but you are rich spiritually and the blasphemy by those, I know the blasphemy by those who say that they are Judeans yet or not, but are a sin of God of Satan.

So this verse, as I said, is used extremely often by the people who hate the Jews and teach against Jews and against the nation of Israel.

Is it talking about physical Israel today? Is it talking about the prime minister and the leaders of the nation of Israel today and the people who inhabit the land of Israel today, the Jews today?

Is it talking about them? Absolutely not. In no way, in no shape, in no form is it talking about any of those at all. How do I know that?

Look at verse 8, write this to the Ecclesia, the church, in that city Smyrna.

Does it say write this to the Jews? No. Does it say write this to Israel? No. Does it say write this to the Judeans? No. Does it say this write this to the prime minister of Israel? No.

It is written to a specific true church in that specific town 2,000 years ago. It is not written to the Jews of today, nor about the Jews of today.

But it is written about people that was alive when they delivered this letter to the church.

We learn lessons as being the called out people of today around the world. We learn lessons from this letter.

But it is not written to us. This letter is not written to you. This letter is not written to me. This letter is written specifically to people that was alive 2,000 years ago.

Therefore, when it talks about these false Judeans, it is talking about groups of people that was alive 2,000 years ago. So it is impossible to accurately and correctly apply this verse to the Jews or to any group of people that dwell in the land of Israel today and lead the land of Israel today.

You cannot apply it to those group of people because that is not the same group of people except for, of course, it was their ancestors back then.

So the anti-Zionist, anti-Jewish propaganda is claiming that the Jews of today in Israel, their leaders and the citizens both, that they descended from Turkey, I don't know how many years ago, how many hundreds of years ago.

But their claim does not go back 2,000 years. I'm going to check on something real quick on the internet.

Okay. Okay, that's stupid. So I just looked it up and their claim is that the Jews that live in Israel today descend from false Jews claiming to be physical Jews 2,000 years ago in that same town.

So they do a good job at trying to cover the loopholes, but here's the problem with that.

The problem with that is that would entail Satan being in control of who returns to the land of Israel as a disguise, as a camouflage, as a decoy against the true Jews rather than the true Jews being returned, which would make Ezekiel 37 a lie.

That is what that would entail. That would entail that Ezekiel 37 is a lie and has not been fulfilled at all in this life.

Now I know that Ezekiel 37 is the second resurrection, but here's the thing about that.

People don't understand that prophecy has a first fulfillment, which is a foreshadowing, and then it has the final fulfillment.

And that's very true throughout Jeremiah and Ezekiel. So people don't understand that very, very, very basic principle of that.

So what we see in Ezekiel 37, and I will prove this to you by pointing to this. What is the next chapter?

Ezekiel 38, the Gog-Magog War, the invasion of Israel by Russia and China by the 666 Gentile nations that are against Israel.

That includes Turkey that is against Israel. That includes African nations that are against Israel. It includes Asian nations that are against Israel. It really includes the United Nations, really, and really the majority of the world that is against Israel, which is proof that they are true Jews. Because Ezekiel 37 and Ezekiel 38 was not originally separated in the original scriptures. There was no chapter divisions originally. So if Ezekiel 38 is talking about the great tribulation in our day and time, which there's no question about that, it's very clear the context of chapter 38 is our time, our lifetime, because Russia and China has never invaded Israel ever before in all of human history. The Turkish Empire, the Ottoman Empire did, yes. Other empires did. The Assyrian Empire, the Babylonian Empire, Middle Eastern empires, the Roman Empire, the Persian Empire. You've got all these different empires that have invaded Israel. Many, many different empires, many different groups, many different nations have invaded Israel throughout history, yes. But never has Gog and Magog invaded Israel, not even once in all of human history. Ezekiel 38 is very extremely clear as talking about the end time of the great tribulation that is about to come soon. Therefore, common sense Ezekiel 37, not only talking about the second resurrection, but in the first fulfillment, is talking about a foreshadowing that leads up to chapter 38. Leading up to chapter 38 is a regathering of the Jews to the land of Israel. That is very well accepted in Judean based Christianity. Even though we know that Christianity as a whole is not correct, is the synagogue of Satan. Getting back to Revelation chapter 2 now, verse 9, it's not talking about a physical bloodline and people physically claiming to be Jews. It's not talking about that at all. God doesn't give a crap of whether somebody on earth is trying to say I am a Jew when they are not a Jew. He cut and give a crap about that. Amen. He would just ignore that. Amen. But he does care very intensely about people saying I am saved. I serve the true God when you don't. That is something he does care very intensely about. He is talking about spiritual Jews compared to people that are not spiritual Jews. According to the book of Romans, a true Jew is one that's not circumcised in the flesh, but one that is circumcised in the heart, is a true Jew. That's what the book of Romans says. He is concerned about whether we are truly spiritual Jews. That is what he cares about. Amen. The problem with the people that interpret Revelation 2 verse 9 to be physical bloodlines is that these people are carnal minded, fleshly minded. They are not spiritual minded. So when they read verses like that, they don't think spiritual. They don't think on a spiritual level. They think on a physical bloodline level. And that's what the Church of YouTube does to people, is make people think physically carnal rather than wisely and intelligently and spiritually. Amen. The Church of YouTube is also highly responsible for other foolish, insane doctrines such as flat earth. And flat earth people, it's not just that they believe the earth is flat, but rather they also believe that the sun is what is moving across the sky and that the earth does not rotate. The earth does not rotate as a spinning ball. That the earth does not rotate around the sun. That the other planets do not rotate against the sun. That the earth does not move at all. And all kinds of other really ridiculous, insane teachings. There's a whole package. And typically that type of person also believes that a giant planet called Planet X or Nebula or Neburu, that it's going to crash into the earth, which is stupid, or that it's just going to get close enough to cause the earth to self destruct. Which is also stupid, because they think on this very physical level that really borders line on, borderline on, I don't want to say it, but it's just absolutely ridiculous. These are not saved people. These are not even sane people. Revelation 2 verse 9 is talking about false Christians. Judean Christians who claim to be saved but are not as far as even people in that day and in that time, 2000 years ago, people that were saying that they were Jews when they was not obedient to God himself. That's what that's saying. There's people saying, hey, I'm a Jew, I'm a Jew, I'm a Jew, I'm a Jew, but rejecting God and his commandments. Now let's go to the book of Joel, chapter 3, Joel 3. I will also say right now as we turn to this, page 515, thank you, that there has been DNA studies to determine objectively what is going on in the world. To determine objectively whether or not the people that live in Israel today, where do they descend from? Are they descended from Gentiles of the nation of Turkey or not? And the DNA studies came back that said that they

are true Jews, that they are not Gentiles from Turkey.

Even though these congregations were located in what is modern day Turkey, we know that Jews migrated and the other Israelites migrated all over the earth.

All over the earth, literally all over the earth. Just because they were in Turkey at one time does not mean that they were Gentiles just because they were living in Turkey.

Just like when they got taken captive to the Assyrian Empire and to Iran and so forth, did not make them Iranians and Assyrians just because they were in that land.

Did not make them Egyptians just because they were in Egypt, so forth. Just because these congregations in the book of Revelation was in Turkey does not mean that they were Gentiles.

They were just living in that land is all. Joel chapter 3 verse 1 now, page 515, And behold, in those days, and at that time, when I shall have turned the captivity of Judah and Jerusalem, I will also gather all the Gentiles and bring them down into the valley of Josaphat, which is in the land of Israel, that is the location of that valley, and will plead with them there for my people and my heritage Israel, who have been dispersed among the Gentiles.

And these Gentiles have divided my land and cast lots over my people and have traded their boys for prostitutes and sold their girls for wine and drinking.

The context, and notice the previous verses, amen, is the end time, our generation, that is the context.

So this is saying that there will be the Ezekiel 38 invasion of Israel by the Gentile nations, the Gog-Magog nations, Russia and China and Iran, and will divide the land of Israel.

The Gentiles will invade Israel, divide the land, and turn the Jews into slaves, sex slaves and other slaves.

It's going to happen, it's exactly going to happen. But notice that God himself claims the inhabitants of Israel as being his people, and says that they are Jews, the captivity of Judah.

This is what that says in verse one, the captivity of Judah. So if they were not true physical Jews, then why do we have a Bible prophecy that calls them Judah?

If they are not Judah, why does the Bible call them Judah? Do you want to believe the Church of YouTube or do you want to believe the Bible?

Make up your mind. You can't believe both, as one or the other, amen. Another point is, why does all these nations, the United Nations, hate Israel? What bad does Israel commit?

Let's objectively and honestly answer that question. Israel wants to dwell in their land that God gave them, including Golan Heights, West Bank, Gaza.

There's nothing wrong with that, biblically speaking. What's wrong with wanting to return to the land that God gave you?

What's wrong with that? They do not harm the world. Now here's what the Church of YouTube says. The Church of YouTube says that the New World Order is the Zionists, the Jews.

That they control all the banks, all the governments, all the media, and all the evil in the world.

Everything is the fault of the Jews, not the Russians, not the Chinese, not the communists.

But rather, the Jews, the Jews, the Jews, is a hyper-focus on a race, a physical race of people, blaming all the world's problems.

They don't blame Satan. They blame a physical bloodline. Of course, then they say that physical bloodline is physically the children, physically and literally the children of Satan.

That's what they want to say, and that's called the "Serpent Seed" doctrine, that Satan had sex with Eve and that Cain was the literal son of Satan.

How stupid can people be! But yet there are thousands and thousands, probably millions, I'm sure there is millions of people that believe such nonsense!

The priests of the Church of YouTube are satanic priests. They are the Synagogue of Satan.

They are the Synagogue of Satan. And yet people that claim that they follow Christ and claim they have discernment, claim that they are saved, they fall for this propaganda that is really a doctrine of hate and prejudice.

The reality is, we know for a fact, absolute fact, documented fact, undeniable fact, that Iran, Russia, and China, they have literally thousands and thousands of people on Facebook and Twitter and YouTube and Google and the mainstream media that are writing these stories and making these videos and making these websites against the Jews. So when you go to the Church of YouTube, when you go to the Church of Google and learn all the false doctrines and all those lies, you're reading something that was really truly literally written by Iranians and Chinese to make you hate Israel because they hate Israel.

The enemies of Israel, who are they? Russia and China, Iran. So whose side are you on? Those are the 666 nations.

Those are the Nazi nations. Those are the nations against God Almighty. Those are the nations that are going to invade Israel. And guess what?

Does the Bible say about that what God is going to do to those nations? Look at Zechariah 14, page 534, Zechariah 14, verse 1, Behold the days of Jesus come, and your spoils shall be divided in you, and I will gather all the Gentiles to Jerusalem to war, and the city shall be taken, and the houses plundered, and the women ravaged, meaning raped, and half of the city will go forth into captivity, but the rest of my people shall not be utterly cut off from the city.

And Jesus shall go forth and fight with those Gentiles as when he fall in the day of war.

So in other words, even though God will use those nations to punish the Jews and Israel and the Americans and the British and the Scottish and the Irish and the other tribes of Israel, even though God will use those nations to spank his people to punish us, God will then eventually, in that final year of the Great Tribulation and especially at the Battle of Armageddon on the last day when Jesus returns on the 1335th day of Daniel 12, blessed he that perseveres until the 1335th day, God will turn around the war and fight those nations.

What side are you going to be on on that final day? Are you going to fight for Russia?

Are you going to fight for the Iranians? Are you going to fight for the Chinese? What side are you going to be on? You need to choose a side.

You must choose a side. You must. You cannot be complacent about this. You cannot bury your head in the sand about this.

You cannot not make a decision. You have to choose whether you're going to be in the army of the Lord or in the army of Satan.

You have to choose whether you want to or not. That's the reality. That's biblical. That is biblical.

So if you want to be on the side of anti-Israel, anti-Jews, then you are on the wrong side.

God is going to turn against those nations and punish very severely those nations that are anti-Israel.

There is no rejecting that truth. So what side are you going to stay on or be on?

You've got to change sides if you're not on the right side. The definition of Zionism is the belief that Israel is God's chosen people, that the Jews are real and true and have the right to the land, that God gave them that land and God has restored them to that land and will continue to restore them to that land, and that this is biblical and divine, God's plan that they have the right to dwell in that land.

Now, this doesn't mean that we support every member and every leader of Zionism. It doesn't mean that we support or promote the religion of Judaism, but it does mean that we believe the Bible, we believe and believe in the covenant with the land of Judah, with the people of Judah, and that the land of Judah and the people of Judah is divinely connected and unseparable.

That is Zionism. Just because you believe in Zionism does not mean that you support every person that also believes in Zionism.

Give you another example as well, the founding of the United States, the founding of America.

George Washington and other founding fathers of America, some of them were Freemasons, and we do not support Freemasonry.

We are very much extremely against the Freemasons and the Shriners. They are Moslems.

That is the truth. We have the information about that on the website. We speak against that. But at the same time, we cannot deny the reality that it was God's divine plan for America to be founded by the people that God chose, that God did choose and protect divinely George Washington, who had been shot by at least three bullets that did not penetrate his skin, as far as I know.

And even if they did penetrate his skin, he survived and lived and was divinely protected by God.

And he was a great president, absolutely, and he did and said a lot of things that were extremely admirable, absolutely, undeniably.

And this nation was founded upon Christian principles, absolutely, and that some of the original pilgrims were Sabbath keepers.

I have that on the website, the documentation for that as well, if you use that search feature.

And I do encourage people to use the search feature on the website. It's on every page of the ministry website, just about.

Use the search feature to look up topics and keywords and subjects. We can't deny that America was God's divine plan, even though he used some Freemasons.

So just because you believe in something doesn't mean that you agree with every little tiny thing that anybody and everybody involved in it ever did.

That's ridiculous. Just because I admire George Washington and recognize God's providence in him does not mean I approve of every little tiny thing George Washington ever did in his entire life.

That's ridiculous. Amen. So we recognize God's providence. That means God's plan and God's will and God's presence in the establishment of the nation of Israel in 1948, as well as the foundation of the United States, even though we do not agree with Judaism itself.

But there's a lot about Judaism that is great and awesome. It's not totally evil.

We know that if you consider Judaism as a whole package, yes, we say it's evil and it is because it rejects Jesus as God and it rejects Jesus' name.

But we also have to look at everything else that Judaism is and that Judaism says you have to keep the Ten Commandments, you keep the Sabbath, you keep the Holy Days.

And because of this, the nation of Israel is the only nation on the entire earth that the Sabbath and the Holy Days is established government law!

Now less now because of the liberals that are in the Israeli Parliament and Supreme Court and business, but nevertheless it is still within the Israeli law for a lot of things to be closed and roads and so forth.

A lot of roads are closed on the Sabbath day and the Holy Days are well established and accepted and embraced and promoted and supported by the Israeli government.

So you can't say that Judaism is nothing but evil because actually truly there's a whole lot about Judaism that is more accurate and more biblical and more holy than traditional Christianity.

Now that's a very accurate statement. Judaism has a whole lot more accurate about it than traditional Christianity is mostly nothing but false doctrine.

All the way down the line, every check box, false, false, false, false, false, false, false, false, false, where as Judaism is right, right, right, right, right, false, right, right, right, false, right, right, right, right, false. Amen.

That's the truth. So when you look at the only nation on earth where the Sabbath and the Holy Days is embraced by a huge percentage of the population, even by the government and even by the law.

How can you say that is an evil, demonic nation? And it is ridiculous to say that they control the mainstream media when the reality is Iran does.

Iran owns the New York Times, not the Jews. So they want to point at certain Jewish men that are part of the New World Order.

And I don't deny that. But you also got some black men that are not Jews and some other white men and the Iranians and the Russians and the Chinese.

You got all kinds of races within the New World Order. It's not just only Jewish people.

You got bank owners and banksters and bank CEOs that are not Jews. You got mainstream media and government people.

What about the Catholic Church? Amen. Pope Francis is not a Jew. He's not Jewish.

It's absolutely ridiculous when they try to say that all the world's problems and all the banks and all the mainstream media and all the TV and all the Hollywood and everything and everything and everything and everything is owned by the Jews.

And that is bull crap. And you need to get a brain. You need to get your nose and your eyes and your ears and your soul out of the trash can of the Church of YouTube and the Church of Google and get your eyes and your mind into God himself, into the Holy Scriptures and get down on your knees and cry out and shout for God to save you because you need to get saved.

This is the God to honor's truth. I speak the truth in Heaven and the blood of Christ is my witness.

The blood of a Jew of Jesus Christ, he is my witness. You better choose what side you're going to be on because I will never ever baptize nor worship with nor embrace anyone into this congregation that is anti-Zionist.

You want to hate the Jews? Guess what? You hate me because I am a Jew on my dad's side. And so is Brother Robert here also a Jew.

You got two Jewish men here that have done the Alpha and Omega Bible and I Saw The Light Ministries.

We are Jews. Like us or hate us, but we are Jews. And we will never turn against Israel. They have their sins. Absolutely. We don't deny that Israel has sins and that the Jews have sins, but so do the Americans.

So do the British. Look at what condition that they are in right now. Yes, British. Long live Britain.

Long live the King! Long live the Queen! But guess what? They're about to get a good old fashioned spanking! Amen.

They're about to get a good old fashioned spanking on that white butt! That white butt you're so proud of is about to be turned bloody red, honky! Amen.

So proud of your skin color. I'm proud to be Israelite. I'm proud to be Jewish.
I'm proud of my skin color, but I am not going to turn away my black brothers and sisters in the Lord.
They are just as much my true brothers and sisters as any white skinned fool! Amen.

What does the Bible say? That God is able to raise up stones, rocks to be children of Abraham.
That's what the Bible says, what Jesus himself said. Pretty sure it was Jesus and not Paul that said that God is able to raise up stones to be children or to bear children, whichever it says, to Abraham.
It's natural, regardless of what nation and what tribe you come from, what color you come from, it's natural to have a certain measure and a certain level of pride for your people.
And there's nothing wrong with that. But you have to have the proper moderation in the right balance rather than saying that all Jews are going to go to hell, which is what the serpent seed doctrine teaches.
And that is demonic. And that is the spirit of hate. And that is the spirit of Antichrist. The fact that the whole world hates Israel proves that they are the true Jews.
I support the Prime Minister of Israel. He's not perfect by far. But overall, considering everything that he has to deal with, the Supreme Court there and the parliament there, all the junk that he has to deal with, he's actually overall a pretty decent and pretty good man and a pretty good leader, even though he's too soft.
But he has to deal with that Supreme Court. He has to deal with that parliament. He's not a dictator. He can only do so much.

And that's the reason he is too soft. So we have to consider that. The real New World Order, who really controls the mainstream media more than anything else, is the Russians and Chinese, as we have learned these past four years.
Before we end the broadcast, I do want to see what time it is and try to go over some of what I have talked about this week in social media.

But as I review this week's, this past seven days social media posts, this is a new segment we're going to start doing every week.

If we have time each week after the end of the sermon, I'm going to go over some of the posts, things that I have written about in the past week, because I feel a lot of this gets ignored.
People get all caught up and trying to make money and all the different things that life entails.
And so a lot of times I feel like some of this just gets buried and ignored. So I do want to go over as people start to type your questions and comments and testimonies.

I'd like to go over some of the things I have written on social media this week. On January the 12th, I posted this quote, So we should not be telling false Christians, people that do not obey God, that they do not need to fear, that God can protect them.

We don't need to be telling them that. Because the reality is this, that a truly saved Christian is extremely rare on this earth right now.

And the people who are disobedient to the Almighty Creator have every reason to fear the things that are about to come upon them.

We need to be careful with our words, what we speak, what we post on social media, to put a blanket statement to the general public on social media, and even to our families and friends, to say you don't have to fear the virus, you have to trust God, you have to have faith that God is going to protect you.

The reality is, if they're not keeping the Sabbath, if they're not keeping the holy days, if they're not baptized in the truth, we don't need to be telling them to not fear, that God will protect them.

Because they have every right to fear the things that are about to come upon this earth, including viruses and epidemics. Amen.

Brother Calm Adam, he quotes one song, 149. Eleluje! sing to Jesus a new song. His praise is in the assembly of the saints.

Let Israel rejoice in him that made him, and let the children of Zion rejoice in their king. Amen.

His anti-Zionists have turned Zion into a curse word, into a negative and demonic thing, when biblically Zion and Zionism, in support of Israel, in support for the Jewish people, our blood and spiritual brothers, America and Israel, the land of Judea and the Jews, we are spiritual blood brothers.

We are bound together in the spirit and in the flesh. This is why America does not go against Israel.

Even when the Democrats, which are demonic people, even though they hate Israel, they cannot escape God's divine providence of helping Israel.

Even though Biden hated Israel with a passion, very anti-Israel man, very anti-Zionist man, and yet at the same time, he

had to obey God in supporting Israel to a large magnitude, even though he did not support Israel 100%. Even though he betrayed Israel as much as he could betray Israel, he still also at the same time supported Israel in huge amounts because he had to obey the providence of God.

That right there is a testimony in itself. What else did I post this week? Street preaching, street evangelism, the way that it's done in modern times, is not anything similar to how Jesus and the apostles evangelized. They did not yell and scream at people passing by who had absolutely no interest in what they were saying. They did not tell people that they were going to hell immediately as soon as they died. They didn't tell people that this was their last chance, last opportunity, and that they could die today and not be able to get saved in the future.

They did not teach that this is the only lifetime opportunity to get saved. They did not teach eternal torment. They did not ignore the teaching of the Sabbath in their preaching and the need for baptism. They did not say or teach, just say one prayer and you're saved. Amen. The street preaching, street evangelism that the apostles and Jesus did are extremely far different from what we know as street preaching today, which is very foolish. The street preaching, street evangelism today is demonic, full of false doctrine, and is really what an old friend of mine called scalping.

The Native American Indians would scalp the haircut, your hair off your head and down to your scalp. That's what street preaching is today. It's harmful, it's deceptive, it's demonic, it's yelling and screaming to people that have no interest in what in the world you're saying.

That's not what street preaching is. That's not what the apostles did. Okay, also I had posted on January 14th that the Chinese that make a lot of the drones are now removing a part of the device of drones, have been that if you try to fly a drone into a secure area, it will refuse to go into that area.

They have GPS tracking on these drones and they will not fly into American military bases and airports and power plants and other sensitive areas.

But now the Chinese is removing that limitation so that now the drones will be more able to penetrate government areas, military sites inside the United States and airports and so forth.

Also I had posted just the other day that Carson Tucker, which I do not support, but nevertheless he claims that a person in the intelligence community of the United States government told him that Biden had ordered a Chinese satellite that controls the Chinese drones that was flying over New Jersey for that satellite to be taken down. So the claim is that back in December, a lot of different people, even police, was reporting seeing huge drones, the size of drones that are really only commercial and government and military, huge drones, many, many, many of them, even dozens of them flying in New Jersey and other states, and that these were Chinese drones spying on American airports and installations and different places.

And also seeing what the response of the government would be testing our defense systems, stuff like that. And that Biden did order that satellite that controlled those Chinese drones to be shot down or removed, however, whatever they used to remove that satellite from outer space.

And in fact, we do have documentation in the news of a Chinese satellite falling from the sky in late December. So that may be true that Biden had ordered the Chinese satellite to be taken down that controlled those drones. So if that be true, then this is another piece of evidence pointing forward that we're getting closer and closer to the Russian and Chinese invasion of America.

Since we're getting close to three o'clock local time here, I won't finish all the other ones because I talked a lot today, so it's getting late.

Brother Robert, you got anything to say? We have made a recent, over the past two years, edit of changing Jews to Judeans to reflect the connections of the land. Amen.

There is in the scriptures, as originally written, where modern translations use the word Jews. In the original scriptures, it was Judeans. So that originally tied the land of Judea with the inhabitants of that land calling them Judeans, not imposters, right?

It called them Judeans. They're not imposters. Now, as far as Revelation two, verse nine, it's not talking about the physical Judeans, but more of a spiritual Judeans, because the book of Revelation in that chapter is really talking about spiritual matters, sins, spiritual matters.

It's just like in that same verse, it used the word rich. Is it talking about physically rich or spiritually rich? So in the same verse, in the same context, is it talking about physical Judeans compared to false physical Judeans? Or is it talking about true spiritual Judeans versus false spiritual Judeans? If we say the word rich is talking spiritually, then the context is spiritual Judeans versus false Christians and false Jews on a spiritual level.

Yes, thank you, Calm Adam. That is important to bring up that I had also posted this week on social media about a lot of people claiming all the time constantly, God said this, God said that, God showed me this, God gave me this, God did that, God did this.

And I don't deny that God is talking to people. I don't deny that God is talking to false Christians, lost people, and true Christians, because God is constantly trying to wake everybody up, trying to get everybody to repent.

But what he is saying to people more than anything else is prepare for war, get ready for the great tribulation, repent of your sins and return them to me.

That's what he's saying. So when you have all these people that are not yet saved, that think they are saved, that are saying God said, God said, God showed me, God showed me, God showed me, the majority of that is their own imagination, their own thoughts, their own words of their own mind, their own brain, and they're in love with the ideal that God is talking to them.

And the reality is they don't even have The Holy Ghost. That's the reality. And it's important to realize that we must humble ourselves and realize that we are lost and without The Holy Ghost until we are baptized into the truth.

And only at that point is really God going to really start talking to you and showing you things.

Now, of course, as you're leading up to that day of baptism, he's going to be talking to you and showing things to you.

Yes, absolutely. But not like ten years before baptism, not like even two years before baptism is he going to be really leading you and guiding you in things other than repentance and steps of truth.

Yes, he will guide you into here's that next part of truth that you need to learn.

And then here's the next part of truth you need to learn. But a lot of the claims of God speaking is really just people's own imagination and their own desire to think that they are saved and that they have a relationship with God.

When actually Matthew 7, Jesus speaks to those people and says to them, Get away from me.

I never knew you. Amen. So we need to test ourselves and we need to be careful of what we say. We need to be careful of what we claim.

We need to be careful when we claim that God said something. Did God really say it or was that our own brain, our own words?

We have to be careful. That's a serious thing. When we say God said it, it's a serious thing. We have to be careful and examine ourselves.

Did God really say that or was it me? It is a serious thing. At the same time, we don't want to reject and deny when God has spoken to us. That's serious as well.

So we do need to just test and examine ourselves. Where are we in Christ? What is our relationship with him? Are we saved?

Am I hearing from God or am I talking to myself? That may require fasting and it would definitely require humbling of the self. Amen.

Anything else? We got to read a bit about the history of Russia in the 1800s and early 1900s and they turned really anti-Semitic with the communism. Amen.

Anti-Zionism is very communist. You cannot really separate it. The spirit behind anti-Zionism is the spirit of Nazism. It is the spirit of the Antichrist. What spirit have you been tied into? What spirit has been leading you? Amen.

We have to examine ourselves, test ourselves. What spirit has been leading us in such a doctrine that would cause you to hate people and deny their birthright? Amen.

Are you trying to be Esau? Are you trying to be Ishmael spiritually? There are a lot of people that think they are spiritual Israel and really they are spiritual Ishmael and they are spiritual Esau is what they really are rather than spiritual Israelites and spiritual Jews.

Now that's the truth right there. Oh let me check my phone here to see if there is anything on telegram.

Okay I don't see anything. If anybody did post anything and I did not get to you I apologize but I'm looking and I don't see anything.

I thank you everybody for your patience and for sticking around long enough to hear me out on all of it.

It is very important. It is very important because it boils down to what side are you on.

So you got to think about that. God chose two men who are Jews, who are Zionists who believe very passionately in the support of Israel and the land of Israel. Amen.

That's something to consider right there. Also I want to say that the two witnesses, the Bible is very clear about that as well that the two witnesses will be in Jerusalem.

So it would be very ridiculous to think that the two witnesses are anything other than Jews. Amen.

It would be really ridiculous to think that the two witnesses being in Jerusalem that they would be anything other than Jews.

It would be ridiculous. Amen. And I'm sure that the two witnesses will believe in the right of the nation of Israel to inhabit that land and to dwell with the promises that was given through Abraham Isaac and Jacob. Amen.
